Conditions **General terms and conditions, limitation of liability, applicable law and dispute settlement:**
The sale of Marel spare parts and services shall be governed by the general terms and conditions for sale of hardware and the general terms and conditions for software applied by the Marel companies, which are hereby incorporated into this document by reference and are an integral part of this document. Any additional or different terms proposed by Customer are hereby objected to and rejected by Marel. Please let us know if you do not have a copy of these general terms and conditions and we will send it to you upon your request. Customer acknowledges that any purchase order issued by Customer in accordance with the Contract is intended only to establish authority for Customer's internal accounting purposes and no term or condition included in Customer's purchase order will

have any force or effect.

As further specified in these general terms and conditions Marel shall not be liable for any of the following losses/damages, even if such losses/damages were foreseeable and notwithstanding that Marel had been advised of the possibility of such losses or damages: loss of profit, loss of revenue, loss of savings, loss of opportunity, loss of or damage to electronic data, any claims of third parties, substitute equipment or supply sources, loss of or damage to or diminution in value of goods processed with the Products, costs of capital, cleaning costs, recall costs, labor costs, overhead costs, transportation costs, loss of reputation or goodwill, wasted expenditure, lay time of a vessel, and any special, incidental, indirect and/or consequential losses or damages of any such nature whatsoever. Further Marel also limits its aggregate liability to 50% of the price of the spare part or as the case may be the service causing the damage. All legal relationships (contractual and non-contractual) between Marel and Customer, including the dispute settlement clause, shall be governed, and interpreted in accordance with the respective laws that apply in the country/state in which Marel has its registered office without regard to its principles concerning conflicts of laws and including, even if it is a domestic sale, the United Nations Convention on Contracts for the International Sale of Goods of 1980 (CISG). Any dispute, controversy or claim arising out of or in connection with the Contract and/or any legal relationship arising from it, including any disputes regarding the existence, validity, or termination, shall be finally settled under the then in force Rules of Arbitration of the International Chamber of Commerce by one or more arbitrators appointed in accordance with said Rules. The seat of arbitration and place of the hearings shall be the capital of the country where Marel has its registered office. The language of arbitration shall be English.

Sanctions

- (1) The Customer shall not sell, export or re-export, directly or indirectly, to the Russian Federation or for use in the Russian Federation any Products supplied under or in connection with this Agreement that fall under the scope of Article 12g of Council Regulation(EU) No 833/2014.
- (2) The Customer shall not sell, export or re-export, directly or indirectly, to Belarus or for use in Belarus any Products supplied under or in connection with this Agreement that fall under the scope
- (3) The Customer shall undertake its best efforts to ensure that the purpose of paragraph (1) and or (2) is not frustrated by any third parties further down the commercial chain, including by possible commercial chain, including by possible resellers.
- (4) The Customer shall set up and maintain an adequate monitoring mechanism to detect conduct by any third parties further down the commercial chain, including by possible resellers, that would frustrate the purpose of paragraph (1) and or (2).
- (5) Any violation of paragraphs (1), (2), (3) or (4) shall constitute a material breach of an essential element of this Agreement, and Marel shall be entitled to seek appropriate remedies, including, but not limited to:
 - (i) termination of this Agreement; and
 - (ii) a penalty of 50% of the total value of this Agreement or price of the goods exported, whichever is higher.
- (6) The Customer shall immediately inform Marel about any problems in applying paragraphs (1), (2), (3) or (4) including any relevant by activities by third parties that could frustrate the purpose of paragraph (1) and or (2). The Customer shall make available to Marel information concerning compliance with the obligations under paragraph (1), (2), (3) and (4) within two weeks of the simple request of such information.
