Subject: Mettler-Toledo Product Inspection Quote # 44423381

Maintenance Department:

I am pleased to enclose your Mettler Toledo Product Inspection quote for recommended spare parts for Metal Detector System, Job **145785007-10**. Our recommended spare parts packages are designed specifically for your equipment.

In our continued effort to assist you in maintaining the highest up time for your machine investment, I have prepared a recommended spares package for your consideration. Each package is carefully considered to better assist you in keeping your inspection system operating at its peak performance. All parts are OEM designed, tested, certified and are only minutes away from installation.

It is our sincere desire to provide 100% customer satisfaction in all phases of aftermarket service.

If you have any questions regarding the enclosed quote or if you would like to discuss this quote in more detail, you can reach me at (813) 543-2559. You may also reach our request inbox by contacting us at Pi.RecSpares@mt.com.

Sincerely,
